

NMRS, NMORS and NMCX Race Promotors

Juniors Race Free Program!

NMBRA would like to encourage junior racing, one of the ways we can help is with the Juniors Race Free Program. This promotion is for juniors racing in junior categories only. NMBRA will reimburse you all junior entry fees with your NMBRA race invoice form. The new form is available on the NMBRA website, www.nmbra.org. As a race director/promotor you are already allowing junior racers to pay one half of the usual entry fee for your event. NMBRA would like you to change your junior registration fee to zero dollars. You keep track of the number of junior racers in your event and NMBRA will pay you the one half entry fee directly. The junior racer will still be responsible for their one day license or annual license(NMBRA has a program for this as well). The NMBRA Rider Surcharge Invoice has been modified to include this change. See the new form below:
